

**Town of San Anselmo
INTENSIVE RECYCLING PROGRAM APPLICATION**

The Town of San Anselmo, with the cooperation of Marin Sanitary Service (MSS) has an Intensive Recycling Program that permits refuse pickup every other week. This program is intended to acknowledge and reward intensive recycling efforts. We thank you for taking recycling and reduction of solid waste seriously. Our Town has met the mandate of Assembly Bill 939, which requires us to achieve and maintain a 50% recycling rate starting in the year 2000.

Please read and fill out this form and the attached questionnaire. If you agree to comply with the qualifications, return the completed questionnaire to Town Hall, 525 San Anselmo Avenue, San Anselmo CA 94960. After your questionnaire has been reviewed, you may be called by a representative of the Town to provide further clarification. The entire Intensive Recycling Program application process will take about one month for Town review, approval and notification to MSS.

Name: _____

Address: _____

Home Telephone No: _____ **Work Telephone No.** _____

Criteria for qualifying for the Intensive Recycling Program:

1. Customer will complete a questionnaire regarding the disposal of recyclable materials.
2. Customer will use a 20-gallon container for pickup of nonrecyclables such as garbage. Pickup will take place every two weeks.
3. Container and contents will weigh no more than 47 lbs. On pickup day.
4. Customer commits to NO on-site incineration, burial, dumping or use of private, public or commercial dumpsters to dispose of household or yard wastes.
5. Customer commits to start/continue recycling.
6. Customer commits to the Intensive Recycling Program for one year.
7. Customer acknowledges that noncompliance with any of the above criteria may cause cancellation of the Intensive Recycling Program and reversion to a standard garbage service and rate.
8. The Town reserves the right to make on-site inspections.
