Stay 'N Play Descriptions '09

Animation Alive! Workshop - Activity #5005

Grades 1-5 Children's Technology Workshop

Camera, lights, action! Learn how to make stop motion animations using a variety of software tools. Create a storyboard, develop characters, design a movie set and create your own animated movie. Students will learn the basics of motion capture using web cams and stop motion software, incorporating digital art, and adding music, sounds, and commentary to their movies. At the end of the course, student movies will be transferred to CD-ROM to take home.

Chess For Kids - Activity #5001

Grades K-5 Bob Deutch, Tondi Erickson, Dan Trimbach

Through the medium of chess, you can learn critical thinking, problem solving, mental discipline, dealing with winning and losing, and other skills that affect the learning experience in the classroom and in life.

Come See What's Cooking-Activity #5062

Grades 3-5 Armida Scopazzi, c/o What's Cooking

Join us on a culinary adventure that will teach children to prepare healthy, local and seasonal foods. Students will practice cooking skills, proper sanitation, and menu planning. They will explore different types of cuisine and experiment with new ingredients. \$25 material fee paid to the teacher on the first day of class.

Comic Book Drawing-Activity #5092

Grades 1-5 Santiago Quintero

Learn how to give movement and expression to the super heroes of your imagination. Find out all the fun and artistic steps it takes to make a one of a kind comic book. Kids will learn how to shade, color and give expression to the characters they create.

Drum Time - Activity #5031

Grades K-5 Megan Anderson

Let the magic of the drum take you over! In this class you will learn the rhythmic music with both voices and body, as well as a variety of percussion instruments. Be sure to be ready to get your drumming groove on!

Fashion Sewing - Activity #5049

Grades K-5 Barsha Elzey

Students will learn basic hand sewing and make their own scarves, mittens and hats from polar fleece, additional projects as time permits. A \$20 material fee is included.

Hip Hop Dance - Activity #5020

Grades 2-5 Jessica Hall

Learn all of the latest dance moves you see in videos to current (clean) popular music. Learn the choreography and work on your rhythm on your way to becoming a dance super star!

Kung Fu Animal Power for Kids - Activity #5016

Grades 3-5, 6-8 Sifu Jensen

Traditional Chinese Kung Fu-Kids learn real Kung Fu. Learn 8 Low Kicks, 10 high kicks, leaps, footwork, and hand skills from different animals and complete the Kung Fu obstacle course! Punch and kick targets, learn to block and protect yourself, move to a good position. Develop strength, flexibility, agility, balance, speed, and power.

Learn To Sing

Like Your Favorite Idol Stars - Activity #5018

Grades 1-3 Bettina Devin

Your favorite stars are stars due to a combination of luck, talent and TRAINING! Don't be fooled. Whether it's Miley, Jojo, Justin, Zac or Ashley you idolize, it takes on-going training to develop a professional sound. Here's where you can start. Bring several of your favorite singers' CD's to class. Lyric sheets are recommended.

Mad Scientists: Extraordinary Earth - Activity #5029

Grades K-5 Mad Science Staff

See how plants turn sunshine and water into food and the air we breathe. Peek beneath the earth's crust and uncover how rocks and gems are formed. Go hunting for dinosaur fossils and make molds of the bones you find! Discover the importance of weather and how tornadoes form. Take home your own potted plant and volcano!

Mandarin Chinese - Activity #5013

Grades K-2 Monica Pa

Come to this is a beginning Mandarin Chinese class for non-native speakers. The student will be introduced to basic Chinese intonation; Chinese history and cultural aspects will be taught as well. After the course, the student will be able to identify elementary spoken Mandarin Chinese and will have the basic foundation for further intensive study.

Mountain Biking - Activity #5017

Grades 6-8 Quinn Yowell

Learn handling skills to make road & mountain bike riding fun & safe. After we learn handling skills, we will learn street smarts & road rules for safe riding to trail heads. We will ride on trails in Fairfax, San Anselmo & Ross. Everyone in the class is important & is part of the team. No One Will Be Left Behind!

Pre-Engineering with LEGOs - Activity #5025

Grades K-2 Play-Well

Create, play, and learn. Build a town, city, or star base with houses, buildings, pyramids, bridges, tunnels, towers, and more. Build motorized cars, trains, buses, and trucks, then race them, crash them & repair them. Explore the many possibilities of LEGO building systems while learning useful construction techniques. This class is not affiliated with the LEGO Group.

Spanish - Activity #5012

Grades K-3
Ana Bravo

Learn beginning Spanish in a fun, encouraging environment. Children are introduced to speaking Spanish through the use of songs, games, arts & crafts, outdoor play, food, culture celebrations and more! Ana has many years of experience as a Spanish instructor. Classes are limited to 13 students. Spanish is fun, give it a try!

Sports Bonanza - Activity #5061

Grades K-5
Chris Samet, Eric Donelson

Come join us for fun this year for games such as Mummy dodge ball, Barricade ball, capture the flag, and sports like soccer, basketball, golf, baseball and much more.

Winter Science Fun 2009 - Activity #5007

Grades K-2
Beth Touchette-Laughlin

Science is fun when you are investigating crystals and rocks, doing tasty kitchen chemistry or learning about the heart and blood. Through lots of hands-on, discovery based science activities, your child will explore the natural world with a fun, credentialed science teacher who is also a mother of an eight and ten -year old.

Video Game Maker - Activity #5005

Grades 2-5 Children's Technology Workshop

Playing videogames is easy - try creating them! Students will create a variety of age-appropriate computer games using the Children's Technology Workshop GameMaker program. GameMaker programs teach students the fundamentals of programming and video game design. Students will create and develop a storyboard and bring characters to life (we have a strict non-violence policy). At the end of the course, students will take home a CD-ROM containing their game files so that they may play their games at home.

Yoga Kid Power - Activity #5005

Grades K-5
Body Awareness Staff

Learn fun positions like the Cobra, Tree, Downward Dog, Warrior, Eagle, Triangle, as well as use their own creativity to make up new poses! This is a non-competitive class that will help children feel more positive as they develop strength, flexibility & balance. Classes will end with guided relaxation journeys.

Bambino Baseball - Activity # 1200

Instructor: Tim Musselman

This popular class provides an ideal introduction to the game of baseball for both parent and child. One adult must participate with each child in this noncompetitive, skill building class. Your child will learn to throw, catch, hit and run the bases. Each child should bring a mitt and a parent. No class 2/24. *Location: Memorial Park.*

Ages: 3 & 4 years

S	5/23-6/22	9:00-9:45am	\$70R/\$78NR	5 weeks
S	5/23-6/22	10:00-10:45am	\$70R/\$78NR	5 weeks
S	5/23-6/22	11:00-11:45am	\$70R/\$78NR	5 weeks
S	4/11-5/16	9:00-9:45am	\$70R/\$78NR	5 classes
S	4/11-5/16	10:00-10:45am	\$70R/\$78NR	5 classes
S	4/11-5/16	11:00-11:45am	\$70R/\$78NR	5 classes

Farm Club Baseball - Activity # 1205

Instructor: Tim Musselman

This non-competitive league focuses on skill-building as your child learns the game, and the encouraging manner of the instructor ensures that everyone has a good time. No standings are kept so everyone is a winner! All players receive a team shirt an award at the end of the season. Note: Since this is a league format, game times will vary. Each team will play some games at 3:30 or 4:15 on Tuesdays and Thursdays. Schedule will alternate so your child needs to be available both for the 3:30 or 4:15. League schedule will be mailed prior to the start of the season. *Location: Memorial Park*

T/Th	4/7-5/21	3:30-4:15pm	\$100R/\$110NR
T/Th	5/27-7/1	3:30-4:15pm	\$100R/\$110NR

Rookie League Spring Training - Activity # 1600.210

Instructor: Tim Musselman

It's never too early to brush up on your baseball skills so that you can be fully prepared for the rookie baseball season. This training camp is open to all 2009 eligible Rookie players. Base running, throwing, catching, fielding and batting will be covered in this outstanding spring training class. Children should bring a glove, cleats, cap and water. No class the week of 4/13. *Location: Memorial Park*

M	4/6-5/4	3:30-4:30pm	\$75R/\$83NR	4 classes
W	4/8-5/6	2:30-3:30pm	\$75R/\$83NR	4 classes
F	4/10-5/8	3:30-4:30pm	\$75R/\$83NR	4 classes

Rookie League Baseball - Activity # 1601

Ages 6-8

During the course of the season your child will have the opportunity to play the game of baseball while be taught by both youth and adult coaches. We will emphasize the development of skills and the ability to play multiple positions. This is a non-competitive instructional league where everyone has fun and we don't keep score! All players will receive a team shirt, cap and a season-ending award.

- Skills Assessment Day, May 11th, 12th and 13th
- We will try to honor team request. Practices will begin May 26th with games starting the week of 6/15, running through mid July.
