# Stay 'n Play Descriptions

## An Artist's Workshop - Activity #5004

Grades 2-5 Coach Jaime Hoffman  
An art class for kids who love to draw, paint, and sculpt. We will use a variety of materials/techniques such as wax resistance, 3D sketches, partner painting, class cooperative projects, and sculpting. Students will experiment with pastels, watercolor, acrylic paints, and clay. Students should wear appropriate clothing to have some creative, artistic fun.

## BUC Bike Club - Activity #5003

Grades 2-5 Coach Jaime Hoffman  
Come join the BUC Bike Club with Coach Hoffman! Every Wednesday students should have a bike at school to go on a new ride of the day. Coach Hoffman will instruct students in bike safety, maintenance, and riding technique. Rides will be moderate and will average 3-5 miles.

## Capoeria - Activity #5003

Grades K-5 Samuka  
Capoeria and Samuka are fun! Capoeria is an Afro-Brazilian martial arts, and in Samuka's classes the students learn about Brazil, the musical instruments of Brazil and occasionally get to play these instruments. The students learn to move with the music, to stretch and to Capoeria slowly.

## Chess For Kids - Activity #5001

Grades K-5 Bob Deutch, Tondi Erickson, Dan Trimbach  
Through the medium of chess, you can learn critical thinking, problem solving, mental discipline, dealing with winning and losing, and other skills that affect the learning experience in the classroom and in life

## Clay Characters for Kids:

### Fun With Fimo - Activity #5053

Grades K-5

Tami Kelly

This is an exciting and creative 3 dimensional clay workshop for elementary age children. They will learn a colorful and fascinating art medium with fimo clay while using various tools and techniques to create happy whimsical people, animals, jewelry, gifts and so much more. They will start out with a simple sculpture and will gradually move on to more difficult concepts as their abilities and self confidence strengthens. This class is not about the end result but more about the process in getting there. A \$32 material fee is included.

### Come See What's Cooking: - The Melting Pot - Regional American Cuisine - Activity #5062

Grades 3-5

What's Cooking

Join us for a culinary adventure that will take your taste buds on a journey through the Melting Pot of the USA. Our fantastic food will include the flavors from around the USA, including Chowder from the east coast, Cuban cuisine from the south-east and Pumpkin and Corn recipes from the southwest. Students will learn how to help their families prepare meals and will practice their culinary skills with a variety of age appropriate cooking tools.

### Comic Book Drawing - Activity #5092

Grades 1-5

Santiago Quintero

Learn how to give movement and expression to the super heroes of your imagination. Find out all the fun and artistic steps it takes to make a one of a kind comic book. Kids will learn how to shade, color and give expression to the characters they create.

### Creative Multi-Media - Activity #5092

Grades 1-5

Santiago Quintero

Let your creativity shine and learn how to be a better artist. Learn how to use pastels, charcoal, ink, and paint. The class will allow students to pick their own topic and learn what medium they like to use. Learn contrast and proper layouts to make incredible art.

### Engineering Fundamentals - Activity #5089

Grades 2-5

Play-Well

Design and build motorized machines, catapults, pyramids, demolition derby cars, trucks and suspension bridges, buildings, and other constructions. Explore concepts in physics, mechanical engineering, structural engineering, and architecture while playing with your favorite creations. This is a hands-on and minds-on class suitable for LEGO novices to "maniacs." Returning students will work on new projects and challenges. This class is not affiliated with the LEGO Group.

### Fashion Sewing - Activity #5049

Grades K-5

Barsha Elzey

Students will learn basic hand sewing and make their own scarves, mittens and hats from polar fleece, additional projects as time permits. A \$20 material fee is included.

### Favorite PE Games - Activity #5049
