Agenda for the meeting was approved

Minutes from the meeting of September 21, 2011 were approved (Hendricks/Vermond).

Treasurer's Report: Joan reported ending balance of \$2,652.20. There was a miscellaneous cash deposit as well as a \$100.00 donation from Judy Coy for her Patch article.

Oral History Project: No report.

Update on Then & Now Articles: Then & Now articles have been discontinued by Patch through at least the end of the year. Judy submitted a last one on Montgomery Chapel. In total, she has written and submitted 20 articles which, at \$100.00 per article payment, has meant she has donated \$2000.00 to the Historical Commission! Thank you Judy!

Country Fair Day: Generally speaking the event went well. There was some discussion about better publicity for the walking tours. Judy also suggested that the booth be moved up to the street with other booths for better exposure.

Collections/Database Acquisition: A local woman donated some clay balls found on a hillside that are believed to be fired clay balls used by Miwok Indians in combination with slingshots to kill birds.

New Hallway Displays: Judy proposed a holiday theme which will include part of Tom's Santa collection. Tom agreed to loan the Santas again.

Brookside Student Tours: Brookside has three scheduled walking tours next week. Judy and Dick are taking turns leading them.
