### ***Shipwrecks of Marin***

**Friday, June 21**

**7:30pm, Council Chambers**

Marin County's steep shores, treacherous currents, and frequent fogs have been the doom of hundreds of ships for over four hundred years. Hear tales full of danger and heroism, of pathos and high adventure, when local historian Brian Crawford tells the stories of the most significant wrecks on our coasts and shares his new book, *Shipwrecks of Marin*.

**Doors open at 7pm for a wine reception in the Historical Museum. Copies of Brian's book, *Shipwrecks of Marin*, will be available for purchase.**

This event is sponsored by the Friends of the San Anselmo Library, the Library Parcel Tax, and the San Anselmo Historical Society.

## ***Bidding Adieu to April***

The San Anselmo community has had the enormous gift of April Hayley as our Children's Librarian for the past eight years. The Library Parcel Tax funds this important position and she was the first person I hired to fulfill that mandate. She has crafted unique programs for ages 0-18 and has forged meaningful connections with children and grown-ups alike. We will all miss April and we send her off with oceans of best wishes and galaxies of love.
