Discussion Items/Unfinished Business:

1. Oral History Project: No report.
2. Collections/ Database/ Acquisitions/ Research Projects  
Acquisitions/Donations: Judy reported a follow up to the "long flag" mystery which is that it is a US Navy commissioning pennant. No additional background was discovered, and it will be returned to Renee Kientz at her request.  
Newspapers.com is rescanning the San Anselmo Herald negatives, and the digital files will be included in the California Digital Newspaper Collection.  
Judy shared a very interesting website: East Bay Hills Project. There is a section under History> Forgotten, Altered or Erased that is called Wye San Anselm. It has some great images of the Hub.
3. Voicemap Historical Walk: Alan reported that he will be joining Dick on the downtown walk to identify stops that should be included in the audio tour. Judy provided comments from reviewers to Alan as well.
4. Downtown and Seminary Walking Tours:  
There were three Wade Thomas tours last week, and Judy had a good Seminary tour. Dick reported that the Dojo mixed up their dates for a tour and were a no-show. There are 19 people signed up for the upcoming Saturday walking tour.
5. Historical Society Program: The program with Brian Crawford's talk on Shipwrecks of Marin is on 6/21. The Library will be paying an honorarium. Several commissioners volunteered to bring in cookies and wine.
6. Hallway Displays: Judy reported that she met with staff from Cedars and confirmed they still want to do a display in the September/October timeframe.
7. Museum Docent Schedule: All shifts are covered.
