PRESENT COUNCILMEN: Ball, Martin, Denning, Smith  
Mayor Smith, presiding  
Meeting called to order by Mayor Smith at 2:18 P.M.

This meeting was called for the purpose of taking emergency action relative to flood damage incurred in the area of the intersection of Forest and San Anselmo Avenue.

City Manager stated rains have eroded away most of the road on Forest at San Anselmo Avenue - first two homes are showing signs of dis-integrating - trees have been cut down which has helped, gas main and sewer pipes are broken - feels it would be many months before something can be worked out - only adequate hydrant at Lansdale Market - 1000 ft of hose running to hydrant in case of fire. City could avail themselves of aid to erect temporary bridge across creek - this appears to be a long range problem.
