1. Erecting a fence anywhere within the limits of the public right-of-way requires an encroachment permit in addition to a fence permit.
2. Erecting any fence that exceeds 7’ in height requires a Building department review in addition to a fence permit.
3. Erecting a solid fence within the set-back area (between the property line and the building set-back limits) that exceeds 6’ in height requires a variance approval in addition to a fence permit.
4. If you are in the Bald Hill area, additional fence requirements apply, available here:
