

CONSTRUCTION UPDATE

April 5, 2019

Town of San Anselmo – Meadowcroft Paving Project

This is an update to the notice* sent to Meadowcroft home owners by the Town of San Anselmo to inform you the Town will begin paving a western portion of Meadowcroft Drive (between 145 Meadowcroft and Broadmoor Ave) in May. The work is part of the Town's Fiscal Year 2019/2020 Utility Upgrade and Pavement Rehabilitation Projects.

The work is being accelerated to take place before RVSD begins work on San Anselmo sewer improvements (Butterfield/Meadowcroft-Arroyo) in June 2019. More information about this project can be found at www.RVSD.org/269/.

Property owners on Meadowcroft Drive (between 145 Meadowcroft and Broadmoor Ave) that plan or need to repair/replace their sewer lateral will need to do so before the Town begins paving this area in May 2019. The Town will waive encroachment permit fees for property owners within this area who repair/replace their sewer laterals before paving begins in May. Property owners can also apply for funding assistance through RVSD's Lateral Replacement Grant Program (LRGP). More information is available at www.RVSD.com/LRGP.

Paving on Meadowcroft Drive (between 145 Meadowcroft and Butterfield Rd) is delayed until fall/winter 2019 to avoid excavating new pavement. Any further changes to the anticipated schedule are pending weather. Property owners who plan or need to repair/replace their sewer lateral will need to do so before the Town begins paving this area in fall/winter 2019. The Town will waive encroachment permit fees for property owners within this area who repair/replace their sewer laterals before paving begins in fall. Property owners can also apply for funding assistance through RVSD's Lateral Replacement Grant Program (LRGP). More information is available at www.RVSD.com/LRGP.
