Subject: RESIDENTS NORTH OF SANTA CRUZ - DETOUR MAP FOR TOMORROW

Follow Up Flag: Follow up
Flag Status: Completed

Hello,

Just a quick check in to remind you of the detour via Broadmoor.

If you are trying to get north of Santa Cruz tomorrow, you can get around the road closure by utilizing the Pasadena detour. Please remember to drive slowly and carefully. Detours take patience and other impacted neighborhoods rely on your consideration.

During actual paving next week, all of this traffic headed out of SF to SFD will need to detour to Butterfield after 9AM because Broadmoor needs to be closed 9AM-5PPM for sewer work. We understand that the extra jog in the detour may be upsetting for some of you, but we have a lane closure on Butterfield and a paving project on Meadowcroft coming up in two weeks, so the balance of all projects were considered and this 1 block detour for a few days is the least impactful to the Town as a whole unit of consideration.

Sincerely,

Rachel Calvert, PE
Assistant Public Works Director
