Hello All,

Thank you for all of your patience and support.

ROAD CLOSURE SCHEDULE UPDATE:

NO ROAD CLOSURE TOMORROW: expect 5-minute delays.

The paving which was scheduled for tomorrow is being cancelled due to rain, and temperature. Additionally, because we were in a rush to get the ground protected from the rain, we took a few intentional shortcuts, and we need to back up and address them first. They are minor and will be addressed tomorrow with other housekeeping. Expect only minor delays. There are a couple of driveways that are within the work zones, but the contractor will be able to provide access on request.

TENTATIVE ROAD CLOSURE SCHEDULE:

The weather is determining our schedule for us. The current forecast has only at 25% 0.02" rain intensity in the afternoon, and the forecast is improving each time it is updated. If this holds, then paving will be performed on Monday and Tuesday

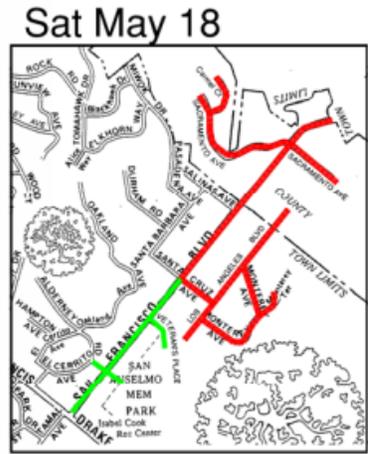

CLOSURES FOR PAVING THE TOP COAT: WEATHER DEPENDENT*

ROAD	FROM	TO	CLOSED TO ALL TRAFFIC DATE	CLOSURE HOURS
SAN FRANCISCO	Sacramento	Salinas	May 20*	7:30AM-4:30PM
SAN FRANCISCO	Salinas	Santa Cruz	May 20*	9AM-7PM
SAN FRANCISCO	Santa Cruz	Veterans	May 20*	9:30AM-8PM
VETERANS	San Francisco	END	MAY 21*	7:30AM-4:30PM
SAN FRANCISCO	Veterans	Alderney	May 21*	8AM – 7PM
SAN FRANCISCO	Alderney	SFD	May 21*	9AM – 7PM

Please note that there is preparation that needs to happen in front of the paver, so even if the paver is a fair way away, there could be oil or fabric or hot patching going down on the road. Or simply the trucks and equipment need that room to work safely. Please keep cars, pets etc. off of the asphalt while it cools. Driving on it early can cause ridges that will hold water and be problematic over time (among other things). Please trust us to respect your time, but to protect the work. We will not keep you off the road longer than the science requires. Please do not ask to drive on it before it is open. Please dial 911 if you have an emergency.
