Construction Notice to Town of San Anselmo Residents Slide Damage Sewer Repair Project

Team Ghilotti, Inc. (TGI) has contracted with the Ross Valley Sanitary District (RVSD) for the new sanitary sewer main from 9 Summit Rd to 5 Francis Ave. This notice is to familiarize residents in the area with the project scope, schedule of work and effects on traffic and parking.

The work consists of the installation of approximately 200 lineal feet of 6" sanitary sewer main, 3 sewer manholes and surface restoration (See map on back for work zones and traffic routing). The project will begin this Thursday and last approximately 2 weeks. For work this Thursday and Friday, expect 15 minute delays on Summit and Francis. The following week construction will begin on Francis Ave with a full road closure (working hours only), while 15 minutes delays can be expected on Summit Rd. The work on Francis will take 2-3 days to complete. Work will then proceed around the corner and head up Summit with a full road closure (working hours only), while 15 minute delays can be expected on Francis. The work on Summit will also take 2-3 days to complete. We will notice again next Friday with the following weeks schedule and any additional work that is required for this project. **No parking signs will be posted 48hrs in advance of work occurring on your street.**

- Working hours will be Monday through Friday, from 8 AM to 5 PM. Roads will be open to traffic during non working hours from 5 PM to 8 AM
- Intermittent traffic delays and road closures on Summit Road and Francis Ave will be unavoidable. **Please try to minimize vehicle IN/OUT during working hours.** Scenic will be closed at the Francis/Summit Intersection in one direction (see map on back).
- Emergency vehicles will have access at all times. If you have an emergency, call 911.
- If you have an unchangeable appointment at your home or home care during construction times, please contact Matt Verke of Team Ghilotti or Mark Wilson of Nute Engineering (see below) in advance to ensure access.

If you have questions or issues that our field personnel cannot resolve with you, please contact Team Ghilotti's office (707) 763-8700. The same number is used for after-hour emergencies.
