

Summer Reading 2023

Wacky Wednesdays!

Join us every Wednesday at 1pm on the Library Lawn for these fantastic free performances. No registration required.

Thank you to the Friends of the San Anselmo Library through Town Books and the Library Parcel Tax.

June 14 Teacher Barb

Rock with Teacher Barb! Enjoy rock n' roll, jazz, reggae, nursery rhymes, blues ballads, folk, hip hop, and silly songs of all kinds. This is a musical adventure for children and the adults who love them.

July 12 Circus of Smiles

Join Mr. Quick and Mr. Moustache on a comical circus adventure. These incredible performers defy the laws of nature as they juggle, flip, and make unbelievable catches. You'll walk away thinking, "is there anything they can't juggle?"

June 21 The Puppet Company presents:

Puff the Magic Dragon

The land of Honah Lee is in trouble! Puff the magical dragon seeks the help of his young friend Jackie Paper to aid him. Together, they use Jackie's imagination to outwit Pirates, save Falling Stars from the sky, and eventually restore the magical rainbow that powers Puff's homeland. A family favorite with a modern twist!

July 19 Asheba: Caribbean Music for Children

Asheba is a musical storyteller who specializes in calypso, the musical and folkloric oral tradition of Trinidad, Asheba's homeland. Stories of hope and happiness are the focus of his songs. You will find children and parents alike joyfully singing, clapping and dancing along.

June 28 Bluegrass Boogie featuring Emily Bonn & the Sing and Stompers

Get ready for fun, interactive Americana music that engages all ages. Bring your stomping shoes, your voices and play-along instruments and let's jam with the banjo, fiddle and guitar!

July 26 Xtreme Science Magic with Don O'Brien

Get hooked on science with Don O'Brien in this fast-moving and interactive show full of experiments, demonstrations, and oodles of audience participation! Expect to see a smoke-ring blaster, genie cloud in a bottle, laser lighting, flying toilet paper, and much more!

July 5 Drummm with Jeni Swerdlow

Experience first-hand how much fun drumming can be! Discover how rhythm is a powerful tool for connection and expression by participating in many rhythmic ways!

August 2 Brian Scott Magic

Brian brings mystery into the lives of those around him with his bizarre and strange blend of magic and comedy, leaving everyone scratching their head in wonder as they are doubled over in fits of laughter. Share in the wonder of magic with this interactive comedy magic show!

Summer Reading 2023
