LEGISLATIVE COUNSEL'S DIGEST

SB 857, as amended, Committee on Budget and Fiscal Review.
~~Budget Act of 2010. Courts.~~

(1) Existing law specifies uniform fees for filing first papers in connection with specified civil proceedings, and states the intent of the Legislature to establish a moratorium on increases in filing fees until January 1, 2012.

This bill would extend that moratorium until July 1, 2013, but would impose a supplemental fee for filing first papers, until that date, subject to reduction if the amount of the General Fund appropriation to the Trial Court Trust Fund is decreased from the amount appropriated in

the 2010–11 fiscal year. The supplemental fees collected pursuant to these provisions would be deposited into the Trial Court Trust Fund. The bill would make other conforming changes.

(2) Existing law specifies various uniform fees for filing specified documents in connection with certain civil proceedings. The fee for filing a motion for summary judgment or summary adjudication of issues is \$200, and the fee for filing in the superior court an application to appear as counsel pro hac vice is \$250. Existing law provides that the entire fee collected for the pro hac vice application shall be transmitted to the state for deposit into the Immediate and Critical Needs Account of the State Court Facilities Construction Fund.

This bill, until July 1, 2013, would increase each of those fees to \$500, and would provide for $\frac{1}{2}$ of the pro hac vice application fee to be transmitted to the state for deposit into the Trial Court Trust Fund. Until July 1, 2013, the bill also would require an attorney whose application to appear as counsel pro hac vice has been granted to pay an annual renewal fee of \$500 for each year that the attorney maintains pro hac vice status in the case in which the application was granted. The entire renewal fee would be transmitted to the state for deposit into the Trial Court Trust Fund.

(3) Existing law requires an added state court construction penalty of \$4.50 to be included in the total penalty, fine, or forfeiture, of every parking offense for which a penalty, fine, or forfeiture is imposed. Existing law requires those collected penalty payments to be deposited monthly with the county treasurer who in turn transmits those moneys to the Controller, as specified.

This bill would specify that in the event those payments were deposited in a local courthouse construction fund and expended pursuant to a specified provision, the county or processing agency would not be liable for the failure to transmit that penalty to the Controller during the 2008 calendar year.

The bill also would require the Judicial Council to conduct a pilot program until July 1, 2013, to assess the benefits and impacts of requiring all subcontractors with bids in excess of \$500,000 to pay for employee health expenses for construction field employees working in California, and giving quality points to a proposing construction manager at risk that pays for those employee health expenses, as specified. The bill would require the Administrative Office of the Courts to issue a report in connection with the pilot program on or before July 1, 2015.

(4) Existing law provides that, in all general civil cases, except as specified, a party that has provided notice may appear by telephone at specified conferences, hearings, and proceedings. Existing law establishes the Trial Court Trust Fund to fund trial court operations, as specified.

This bill would require the Judicial Council, on or before July 1, 2011, to establish statewide, uniform fees to be paid by a party for appearing by telephone, in addition to any other fees paid to vendors and courts, as specified. The bill would provide that until July 1, 2013, if a vendor or court later receives a fee or a portion of a fee for appearance by telephone that was previously waived, that fee would be distributed, as specified. The bill would also require the Judicial Council, on or before July 1, 2011, and periodically thereafter as appropriate, to enter into one or more master agreements with a vendor or vendors to provide for telephone appearances in civil cases. The bill would limit the methods by which a court may make telephone appearances available to a party.

The bill, until July 1, 2013, would also require each vendor or court that provides for appearances by telephone to transmit \$20, for each fee received for providing telephone appearance services, to the State Treasury for deposit in the Trial Court Trust Fund, except as specified. Until July 1, 2013, the bill would require that if the vendor or court receives a portion of the fee, as specified, the vendor or court shall transmit only the proportionate share of the amount, as specified. The bill would require vendors to transmit, as specified, an amount equal to the total amount of revenue received by all courts for providing appearances for the 2009–10 fiscal year. The bill would require that the \$20 fee or the proportionate share collected in that quarter be transmitted within 15 days after the end of each calendar quarter. The bill would require the Judicial Council to allocate the amount collected for specified purposes.

The bill would also require trial courts to provide written notification to the public by conspicuous posting within or about its facilities, on its public Internet Web site, and to the Judicial Council not less than 60 days prior to closing any courtroom or closing or reducing the hours of clerks' offices during regular business hours, as specified. The bill would require the Judicial Council, within 15 days of receiving notice from a trial court, to conspicuously post on its Internet Web site and provide the chairs and vice chairs of specified legislative committees a copy of the notice.

(5) Existing law authorizes any department, officer, or employee of a county or a judicial district in the county, charged by law with the collection of any county or district tax assessment, penalty, cost, license fees, or any judicial district fine, assessment, or penalty, or any money, which is due and payable to the county or district for any reason, to apply to the board of supervisors for a discharge from accountability for the collection thereof if the amount is too small to justify the cost of collection, the likelihood of collection does not warrant the expense involved, or the amount thereof has been otherwise lawfully compromised or adjusted.

This bill would additionally authorize any collection program that is operated by a court to apply to the presiding judge of the court, or another designated judge, for a similar discharge of accountability, as specified. The bill would authorize the Judicial Council, by rule of court, to establish the process by which applications would be submitted and reviewed or the standards for ordering a discharge. The bill would provide that responsibility for collection of court-ordered debt or bail be demonstrated by a written agreement between the county and the court. The bill would authorize the court to transfer responsibility for discharging court-ordered debt or bail to the county by written agreement, if the court is responsible for collecting court-ordered debt or bail.

(6) Existing law authorizes a county board of supervisors to make an order discharging a department, officer, or employee from further accountability and direct the county auditor to adjust any charge against the department, officer, or employee in a like amount. That discharge from accountability does not constitute a release of any person from liability for payment of any amount.

This bill would require the county, within 45 days after the end of the month in which any discharge from accountability is approved, to report to the superior court the discharge from accountability for any court-ordered debt or bail that the county would otherwise have been responsible for collecting. The bill would require the report to include the following for each debt discharged: the case number, whether the case is an infraction, misdemeanor, or felony, the amount of the debt discharged, and the number of years since the debt became delinquent.

(7) Existing law authorizes any county or court that implements a comprehensive program to identify and collect various delinquent fees and penalties to deduct and deposit in the county treasury or the trial court operations fund the cost of operating that program from any

revenues collected prior to distributing the revenues to other governmental entities, as specified.

This bill, on and after July 1, 2012, would provide that once debt becomes delinquent, as specified, it continues to be delinquent and may be subject to collection by a comprehensive collection program. The bill would also modify the meaning of a comprehensive collection program.

(8) Existing law authorizes the clerk of the court to accept a payment and forfeiture of at least 25% of the total bail amount for each infraction violation of the Vehicle Code prior to the date on which the defendant promised to appear, or prior to the expiration of any lawful continuance of that date, or upon receipt of information that an action has been filed and prior to the scheduled court date, if specified circumstances exist. Those circumstances include that the charge is of a nonparking infraction.

This bill would instead authorize the clerk of the court to accept a payment and forfeiture of at least 10% of the total bail amount. The bill would extend that authorization for any infraction violation of the Vehicle Code.

(9) Existing law requires the clerk of the court to accept from a person ordered or permitted to attend a traffic violator school a payment of at least 25% of a specified fee upon filing a written agreement by the defendant to pay the remainder of the fee according to an installment payment schedule of no more than 90 days as agreed upon with the court. When a defendant fails to make an installment payment of the fee according to an installment agreement, the court may convert the fee to bail, declare it forfeited, and report the forfeiture as a conviction, as specified.

This bill will instead authorize the clerk of the court to accept a payment of at least 10% of the fee. The bill would specify that for the purposes of reporting a conviction pursuant to that provision, the date that the court declares the bail forfeited would be reported as the date of conviction.

The bill would also establish a one-time amnesty program for fines and bail meeting certain requirements to accept, in full satisfaction of any eligible fine or bail, 50% of the fine or bail amount, between January 1, 2012, and June 30, 2012. The bill would also require the Judicial Council to adopt guidelines for the amnesty program no later than November 1, 2011. The bill would require the Judicial Council to

submit a report to the Legislature on or before December 31, 2012, summarizing the information provided by each court or county.

(10) Existing law requires a levy in each county of an additional penalty in the amount of \$7 for every \$10, or part of \$10, upon every fine, penalty, or forfeiture imposed and collected by the courts for all criminal offenses, including all offenses involving a violation of the Vehicle Code or any local ordinance adopted pursuant to the Vehicle Code. Existing law reduces that \$7 additional penalty in each county by the additional penalty amount assessed by the county for the local courthouse construction fund, as specified.

This bill would modify the additional penalty assessed by certain counties, as specified.

(11) Existing law requires the Controller, to the extent feasible, to offset any amount overdue and unpaid for a fine, penalty, assessment, bail, vehicle parking penalty, or court-ordered reimbursement for court-related services, from a person or entity, against any amount owing the person or entity by a state agency on a claim for a refund from the Franchise Tax Board under the Personal Income Tax Law or the Bank and Corporation Tax Law, or from winnings in the California State Lottery.

This bill would additionally require an offset against a cash payment of a claim for unclaimed property held by the state.

(12) Existing law requires that a fee of \$30 be imposed on every conviction for a criminal offense, including traffic offenses, to ensure and maintain adequate funding for court security. Existing law requires the court fee to be reduced to \$20 on July 1, 2011.

This bill would instead raise the court fee to \$40 until July 1, 2011, at which time the court fee would be reduced to \$30, and on July 1, 2013, the court fee would be further reduced to \$20.

(13) Existing law requires the Judicial Council, on or after July 1, 2009, to establish a task force to evaluate criminal and traffic-related court-ordered debts imposed against adult and juvenile offenders. Among other things, the task force would be required to make recommendations to the Judicial Council no later than June 30, 2010, regarding the priority in which court-ordered debts should be satisfied.

This bill would require the Judicial Council to establish that task force before June 30, 2011, and would add as members of the task force a county public defender and a city attorney appointed by the Speaker of the Assembly and a defense attorney in private practice and a district attorney appointed by the Senate Committee on Rules. The bill would

also require the task force to make those recommendations to the Judicial Council and the Legislature no later than June 30, 2011.

(14) Existing law authorizes the Judicial Council to regulate the budget and fiscal management of the trial courts, and requires the Judicial Council to adopt regulations for recordkeeping and accounting by the courts ensuring that all revenues and expenditures relating to court operations are known. At the request of the Legislature, the Controller may perform and publish financial and fiscal compliance audits of the reports of court revenues and expenditures. The Controller is required to report the results of these audits to the Legislature and the Judicial Council, and the Judicial Council or its representative may perform audits and reviews of all court financial records wherever they may be located.

This bill would, instead, authorize the Judicial Council or its representatives to inspect, review, and perform comprehensive oversight and analysis of court financial records wherever they may be located, and to investigate allegations of financial impropriety or mismanagement. The bill also would require a specified auditing entity, not earlier than July 1, 2011, and not later than December 15, 2012, to establish a pilot program to audit 6 trial courts, as specified, and, on or before December 15, 2013, to commence an audit of the trial courts, including a review of all funds within the trial court's administration or control. The bill would require the audit of each trial court at least once every 4 years. The bill would require the auditing entity to compile the trial court audit findings and report the results of these audits to the Legislature, the Judicial Council, and the Department of Finance no later than April 1 of each year. The bill would provide that the audit be paid for from funds of the local trial court being audited.

This bill also would require the auditing entity, as specified, on or before December 15, 2013, and biennially thereafter, to perform an audit of the Administrative Office of the Courts, including a review of all funds under the administration, jurisdiction, or control of the Administrative Office of the Courts. The bill would require the auditing entity to provide a copy of the final audit report to the Legislature, the Judicial Council, and the Department of Finance upon issuance.

The bill would also require the Judicial Council to conduct an analysis of the cost incurred by trial courts related to the default prove up process, as defined, and report on the different methods trial courts use in processing filings related to the default prove up process as well as

the revenue generated by these filings. The bill would require Judicial Council to provide its report to the Assembly Committee on Budget and the Senate Committee on Budget and Fiscal Review by June 30, 2012. The bill would require the Legislative Analyst's Office to review that report, consult with stakeholders, consider the best practices of other states, and make any recommendations to increase efficiency, streamline the processes and turnaround times for filing documents related to the default prove up process, and assess whether any changes should be made to the fee structure for filings related to the process. The bill would require the Legislative Analyst's Office to provide its recommendations to the Assembly Committee on Budget and the Senate Committee on Budget and Fiscal Review by September 30, 2011.

(15) Existing law establishes the Trial Court Trust Fund for services provided to the court or courts by the Administrative Office of the Courts or payment for services or property of any kind contracted for by the court or courts or on behalf of the courts by the Administrative Office of the Courts.

This bill would provide, commencing 60 days after the enactment of the Budget Act of 2010, and until July 1, 2013, that for each parking offense where a parking penalty, fine, or forfeiture is imposed, an added penalty of \$3 shall be included in the total penalty, fine, or forfeiture, as specified. The bill would require the county treasurer to transmit the penalty to the Treasurer for deposit in the Trial Court Trust Fund, as specified.

Because the bill would increase the duties of county employees, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

(16) This bill would declare that it is to take effect immediately as an urgency statute.

This bill would express the intent of the Legislature to enact statutory changes relating to the Budget Act of 2010.

Vote: ~~majority~~^{2/3}. Appropriation: no. Fiscal committee: ~~no~~-yes. State-mandated local program: ~~no~~-yes.

The people of the State of California do enact as follows:

1 **SECTION 1.** *Section 6322.1 of the Business and Professions*
2 *Code is amended to read:*

3 6322.1. (a) Until the end of the moratorium described in
4 Section 70601 of the Government Code, the board of supervisors
5 of any county may increase, as provided in this section, the amount
6 distributed to its county law library fund from the uniform filing
7 fees listed in Section 6321 whenever it determines that the increase
8 is necessary to defray the expenses of the law library.

9 Any increase in the amount distributed to the law library fund
10 in any county under this subdivision shall not be effective until
11 January 1 of the next year after the adoption by the board of
12 supervisors of the increase. The amount of the increase in any
13 calendar year shall be no greater than three dollars (\$3) over the
14 previous calendar year. A copy of the action of the board of
15 supervisors that establishes the increase shall be provided to the
16 Administrative Office of the Courts as soon as it becomes available
17 but no later than December 15 of the year before the increased
18 distribution goes into effect.

19 (b) Distribution changes after January 1, 2008, shall be
20 determined by the process described in Section 70601 of the
21 Government Code.

22 (c) (1) In an action or proceeding in which a claim for money
23 damages falls within the monetary jurisdiction of the small claims
24 court and is filed by an assignee who is prohibited from filing or
25 maintaining a claim pursuant to Section 116.420 of the Code of
26 Civil Procedure, the uniform filing fee shall be reduced by
27 ~~twenty-four dollars (\$24)~~ *forty-four dollars (\$44)* to one hundred
28 eighty-one dollars (\$181) if the complaint contains a declaration
29 under penalty of perjury, executed by the party requesting the
30 reduction in fees, that the case qualifies for the lower fee because
31 the claim for money damages will not exceed the monetary
32 jurisdiction of small claims court and is filed by an assignee of the
33 claim.

34 (2) When the uniform filing fee is reduced as provided under
35 this subdivision, the amount distributed from each uniform filing

33 under this section to the Immediate and Critical Needs Account
34 of the State Court Facilities Construction Fund, established in
35 Section 70371.5, shall be eleven dollars (\$11). If the fee is further
36 reduced below one hundred eighty-one dollars (\$181), as with a
37 partial waiver or partial payment, the proportional reductions
38 described in subdivision (g) of Section 68085.1 of the Government
39 Code shall apply.

33 40310 of the Vehicle Code may include the necessary amount to
34 pay the penalty established by this section, the penalties authorized
35 by Section 1464 of the Penal Code and Chapter 12 (commencing
36 with Section 76000) of Title 8, and the surcharge authorized by
37 Section 1465.7 of the Penal Code for all matters where a personal
38 appearance is not mandatory and the bail is posted primarily to
39 guarantee payment of the fine. After a determination by the court
40 of the amount due, the clerk of the court shall collect the penalty

1 and transmit it immediately to the county treasury and the county
2 treasurer shall transmit these sums as provided in subdivision (f).

3 (b) In addition to the penalty provided by subdivision (a), for
4 every parking offense where a parking penalty, fine, or forfeiture
5 is imposed, an added state court construction penalty of four dollars
6 and fifty cents (\$4.50) shall be included in the total penalty, fine,
7 or forfeiture. These moneys shall be taken from fines and
8 forfeitures deposited with the county treasurer prior to any division
9 pursuant to Section 1462.3 or 1463.009 of the Penal Code. In those
10 cities, districts, or other issuing agencies which elect to accept
11 parking penalties, and otherwise process parking violations
12 pursuant to Article 3 (commencing with Section 40200) of Chapter
13 1 of Division 17 of the Vehicle Code, that city, district, or issuing
14 agency shall observe the increased bail amounts as established by
15 the court reflecting the added penalty provided for by this
16 subdivision. Each agency that elects to process parking violations
17 shall pay to the county treasurer four dollars and fifty cents (\$4.50)
18 for the parking penalty imposed by this subdivision for each
19 violation that is not filed in court. Those payments to the county
20 treasurer shall be made monthly, and the county treasurer shall
21 transmit these sums as provided in paragraph (2) of subdivision
22 (f). *In the event these payments were deposited in a local
23 courthouse construction fund and expended pursuant to the
24 provisions of Chapter 592 of the Statutes of 2003, no county or
25 processing agency shall be liable for the failure to transmit the
26 payments to the Controller during the 2008 calendar year.*

27 (c) If multiple offenses are involved, the state court construction
28 penalty under subdivision (a) shall be based upon the total fine or
29 bail for each case. If a fine is suspended, in whole or in part, the
30 state court construction penalty under subdivision (a) shall be
31 reduced in proportion to the suspension.

32 (d) If any deposited bail is made for an offense to which this
33 section applies, and for which a court appearance is not mandatory,
34 the person making the deposit shall also deposit a sufficient amount
35 to include the state court construction penalty prescribed by
36 subdivision (a) for forfeited bail. If bail is returned, the state court
37 construction penalty paid thereon pursuant to subdivision (a) shall
38 also be returned.

39 (e) In any case where a person convicted of any offense, to
40 which this section applies, is in prison until the fine is satisfied,

1 the judge may waive all or any part of the state court construction
2 penalty, the payment of which would work a hardship on the person
3 convicted or his or her immediate family.

4 (f) (1) Within 45 days after the end of the month that moneys
5 are deposited in the county treasury pursuant to subdivision (a),
6 the county treasurer shall transmit the moneys to the Controller,
7 to be deposited as follows:

8 (A) The total to be deposited pursuant to subdivision (a) shall
9 be multiplied by a fraction as follows:

10 (i) The numerator is the amount imposed as of January 1, 1998,
11 as an additional penalty on every ten dollars (\$10), or part of ten
12 dollars (\$10), upon every fine, penalty, or forfeiture, if any, for
13 deposit into the local courthouse construction fund in that county
14 established pursuant to Sections 76000 and 76100. The numerator
15 shall be expressed in whole dollars and fractions of a dollar.

16 (ii) The denominator is five dollars (\$5).

17 (B) The resulting amount shall be deposited in the Immediate
18 and Critical Needs Account of the State Court Facilities
19 Construction Fund, established in Section 70371.5.

20 (C) The remaining amount of the deposit shall be deposited in
21 the State Court Facilities Construction Fund.

22 (2) Within 45 days after the end of the month that moneys are
23 deposited in the county treasury pursuant to subdivision (b), the
24 county treasurer shall transmit the moneys to the Controller to be
25 deposited as follows: one-third of the total amount shall be
26 deposited in the State Court Facilities Construction Fund and
27 two-thirds of the total amount shall be deposited in the Immediate
28 and Critical Needs Account of the State Court Facilities
29 Construction Fund, established in Section 70371.5.

14 give uniform guidance to courts in applying fees under this section.

16 SEC. 23. Section 72010 is added to the Government Code, to

2 party only through one or more of the following methods:

3 (1) An agreement with one or more of the vendors under the

5 (2) An agreement entered into between a court and a vendor
6 prior to July 1, 2011, and which has not expired. If a contract is
7 subject to cancellation by a court after July 1, 2011, that court
8 shall exercise its option to cancel the contract as soon after July
9 1, 2011, as is legally possible to do so.

10 (3) Direct provision by the court of telephone appearance
11 services to a party. If the court provides the services directly, the
12 court shall collect the fees for telephone appearances adopted by
13 the Judicial Council in accordance with Section 367.6 of the Code
14 of Civil Procedure and the master agreement or agreements
15 entered into pursuant to this section. A judicial officer may, in his

18 SEC. 24. Section 72011 is added to the Government Code, to

26 subdivision (b) of Section 367.6 of the Code of Civil Procedure,
27 the vendor or court shall transmit only the proportionate share of
28 the amount required under this section. This section shall apply
29 regardless of whether the Judicial Council has established the
30 statewide uniform fee pursuant to Section 367.6 of the Code of
31 Civil Procedure, or entered into one or more master agreements
32 pursuant to Section 72010. This section shall not apply when a
33 vendor or court does not receive a fee.

34 (b) The amounts described in subdivision (a) shall be transmitted
35 within 15 days after the end of each calendar quarter for fees
36 collected in that quarter.

37 (c) Vendors shall also transmit an amount equal to the total

1 (d) *The amounts set forth in subdivision (c) shall be apportioned*

13 (f) *This section shall become inoperative on July 1, 2013, and,*
14 *as of January 1, 2014, is repealed, unless a later enacted statute,*
15 *that becomes operative on or before January 1, 2014, deletes or*
16 *extends the dates on which it becomes inoperative and is repealed.*

17 SEC. 25. *Section 72011 is added to the Government Code, to*

23 (b) *The amount set forth in subdivision (a) shall be apportioned*

37 SEC. 26. *Section 76000 of the Government Code is amended*
38 *to read:*

39 76000. (a) (1) *Except as otherwise provided elsewhere in this*
40 *section, in each county there shall be levied an additional penalty*

1 in the amount of seven dollars (\$7) for every ten dollars (\$10), or
2 part of ten dollars (\$10), upon every fine, penalty, or forfeiture
3 imposed and collected by the courts for all criminal offenses,
4 including all offenses involving a violation of the Vehicle Code
5 or any local ordinance adopted pursuant to the Vehicle Code.

6 (2) This additional penalty shall be collected together with and
7 in the same manner as the amounts established by Section 1464
8 of the Penal Code. These moneys shall be taken from fines and
9 forfeitures deposited with the county treasurer prior to any division
10 pursuant to Section 1463 of the Penal Code. The county treasurer
11 shall deposit those amounts specified by the board of supervisors
12 by resolution in one or more of the funds established pursuant to
13 this chapter. However, deposits to these funds shall continue
14 through whatever period of time is necessary to repay any
15 borrowings made by the county on or before January 1, 1991, to
16 pay for construction provided for in this chapter.

17 (3) This additional penalty does not apply to the following:

18 (A) Any restitution fine.

19 (B) Any penalty authorized by Section 1464 of the Penal Code
20 or this chapter.

21 (C) Any parking offense subject to Article 3 (commencing with
22 Section 40200) of Chapter 1 of Division 17 of the Vehicle Code.

23 (D) The state surcharge authorized by Section 1465.7 of the
24 Penal Code.

25 (b) In each authorized county, provided that the board of
26 supervisors has adopted a resolution stating that the implementation
27 of this subdivision is necessary to the county for the purposes
28 authorized, with respect to each authorized fund established
29 pursuant to Section 76100 or 76101, for every parking offense
30 where a parking penalty, fine, or forfeiture is imposed, an added
31 penalty of two dollars and fifty cents (\$2.50) shall be included in
32 the total penalty, fine, or forfeiture. Except as provided in
33 subdivision (c), for each parking case collected in the courts of the
34 county, the county treasurer shall place in each authorized fund
35 two dollars and fifty cents (\$2.50). These moneys shall be taken
36 from fines and forfeitures deposited with the county treasurer prior
37 to any division pursuant to Section 1462.3 or 1463.009 of the Penal
38 Code. The judges of the county shall increase the bail schedule
39 amounts as appropriate to reflect the added penalty provided for
40 by this section. In those cities, districts, or other issuing agencies

1 which elect to accept parking penalties, and otherwise process
 2 parking violations pursuant to Article 3 (commencing with Section
 3 40200) of Chapter 1 of Division 17 of the Vehicle Code, that city,
 4 district, or issuing agency shall observe the increased bail amounts
 5 as established by the court reflecting the added penalty provided
 6 for by this section. Each agency which elects to process parking
 7 violations shall pay to the county treasurer two dollars and fifty
 8 cents (\$2.50) for each fund for each parking penalty collected on
 9 each violation which is not filed in court. Those payments to the
 10 county treasurer shall be made monthly, and the county treasurer
 11 shall deposit all those sums in the authorized fund. No issuing
 12 agency shall be required to contribute revenues to any fund in
 13 excess of those revenues generated from the surcharges established
 14 in the resolution adopted pursuant to this chapter, except as
 15 otherwise agreed upon by the local governmental entities involved.

16 (c) The county treasurer shall deposit one dollar (\$1) of every
 17 two dollars and fifty cents (\$2.50) collected pursuant to subdivision
 18 (b) into the general fund of the county.

19 (d) The authority to impose the two-dollar-and-fifty-cent (\$2.50)
 20 penalty authorized by subdivision (b) shall be reduced to one dollar
 21 (\$1) as of the date of transfer of responsibility for facilities from
 22 the county to the Judicial Council pursuant to Article 3
 23 (commencing with Section 70321) of Chapter 5.1, except as money
 24 is needed to pay for construction provided for in Section 76100
 25 and undertaken prior to the transfer of responsibility for facilities
 26 from the county to the Judicial Council.

27 (e) The seven-dollar (\$7) additional penalty authorized by
 28 subdivision (a) shall be reduced in each county by the additional
 29 penalty amount assessed by the county for the local courthouse
 30 construction fund established by Section 76100 as of January 1,
 31 1998, when the money in that fund is transferred to the state under
 32 Section 70402. The amount each county shall charge as an
 33 additional penalty under this section shall be as follows:

7 Section 13967 of the Government Code, as operative on or before
8 September 28, 1994, with or without imprisonment, or a diversion
9 restitution fee ordered pursuant to Section 1001.90, the judgment
10 may be enforced in the manner provided for the enforcement of
11 money judgments generally. Any portion of a restitution fine or
12 restitution fee that remains unsatisfied after a defendant is no longer
13 on probation or parole or has completed diversion is enforceable
14 by the California Victim Compensation and Government Claims
15 Board pursuant to this section. Notwithstanding any other provision
16 of law prohibiting disclosure, the state, as defined in Section 900.6
17 of the Government Code, a local public entity, as defined in Section

29 determination of the amount and was provided with a hearing,
30 waived a hearing, or stipulated to the amount of the restitution
31 ordered, and (2) shall be fully enforceable by a victim as if the
32 restitution order were a civil judgment, and enforceable in the same
33 manner as is provided for the enforcement of any other money
34 judgment. Upon the victim’s request, the court shall provide the
35 victim in whose favor the order of restitution is entered with a
36 certified copy of that order and a copy of the defendant’s disclosure
37 pursuant to paragraph (4) of subdivision (f) of Section 1202.4,
38 affidavit or information pursuant to paragraph (5) of subdivision
39 (f) of Section 1202.4, or report pursuant to paragraph (7) of

6 with respect to those counties to which that section is applicable
7 shall be deposited in that fund. Nothing in the act that added this
8 paragraph shall be interpreted in a manner that would result in
9 either of the following:
